DRUM-HEAD SERVICE AT THE FARM

Through the courtesy of Mr. E. M. Straight the North Saanich Branch of the Canadian Legion will hold a drum-head service at the Experimental Farm on August 5th next.

Arrangements left in the hands of the chairman and secretary are practically completed. Invitations have been sent to the municipal authorities of Victoria, Oak Bay, Esquimalt and Saanich and the various branches of the Legion are expected to have units from each branch. The music will be provided by the band of the Britannia branch of the Canadian Legion. The conducting of the service will be in the hands of Rev. T. M. Hughes, who is secretary of the North Saanich branch, and Rev. E. F. Church of the Metropolitan United Church of Victoria will give the address.

This service will serve a two-fold purpose. It will be a memorial to those who gave their lives in defence of the ideals for which the Canadian Legion stands and it will serve as a continued reminder of that movement for peace originated so fittingly by the Provincial Command of the Canadian Legion in having its annual convention at Portland last June.

GALIANO DANCE HUGE SUCCESS

Fun and strike were easily forgotten by the residents and guests of Galiano and Gossip Islands at a most successful dance held in Galiano Hall on Friday, July 20th, by the Galiano Agricultural and Industrial Show.

Even a breakdown in the music was received in great spirit as it gave one and all a chance to return to childhood days in form of "Nuts in May," etc., while Capt. C. P. Norton, who was master of ceremony, secured a grandophone.

Supper was served at 11 p.m. by Mrs. Lord, Mrs. Morgan and Mrs. Norton, the success of which was greatly due to the generosity of the ladies of Galiano, who kindly donated delicious cakes, even if they themselves were unable to attend.

Sunday, July 29th
"TRUTH" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 29.

The Golden Text is: "Lead me in thy truth, and teach me: for thou art the God of my salvation; on thee do I wait all the day" (Psalms 25: 5).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Blessed are the pure in heart: for they shall see God" (Matthew 5: 8).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Willingness to become as a little child and to be taught, is the first step toward the thought receptive of the advanced idea. Gladness to leave the false landmarks and joy to see them disappear, — this disposition helps to precipitate the ultimate harmony. The purification of sense and self is a proof of progress" (p. 323).

FULFORD LOCALS AND PERSONALS

By Review Representative

(Continued from Page One)
after spending a few days at Fulford, where she was the guest of relatives, Mr. and Mrs. G. E. Akerman.

Mrs. Nick Stevens and family returned home to Ladner on Sunday, after spending several weeks at Beaver Point, where she was the guest of Mrs. A. Stevens.

Mrs. Scott Miller, of Portland, Oregon, has been the guest of her daughter, Mrs. R. Hepburn, Fulford, recently.

The opening dance for the new Beaver Point Community Hall will be held on Friday evening, July 27th. A town orchestra will be in attendance.

Mr. George Roberts, accompanied by his son and daughter, Father Roland Roberts and Miss Cathrine Roberts, of Victoria, were the guests of Mr. and Mrs. G. E. Akerman, Fulford, on Sunday for the day.

Mrs. L. J. Hatfield, of Lynn Valley, and her two daughters, arrived at Fulford on Monday. They are the guests of Mrs. Hatfield's brother and sister-in-law, Mr. and Mrs. J. W. Graham.

Mrs. J. W. Graham, of Fulford, entertained a few friends at the tea hour on Wednesday afternoon in honor of her sister-in-law, Mrs. L. J. Hatfield, who is visiting her.

A dance, organized by the Fulford Hall Committee will be held in the Institute Hall, Fulford, on Friday evening, August 3rd.

Dr. Bryant, of Fulford, has left to spend a ten days' visit to Sunset Camp, Mount Rainier.

It is with deep regret we learn of the death of Mr. John W. Fletcher, of 3465 Saanich Road, who passed away at the Jubilee Hospital on Tuesday, 17th inst., after a short illness. Mr. Fletcher was 70 years of age and was well known at Fulford, having been interested in logging operations for the past year on the Fulford side of Musgrave's Mountain.

The following guests were registered at Stowe Lake Camp, Beaver Point, over the weekend: Miss McQueen, Miss C. Langley, of Vancouver; Mrs. H. Townsend, Salt Spring Island.

Miss Anna Lorenzen and Miss Josephine Charlebois left last Monday to visit relatives and friends in Saskatchewan and other districts in the northern part of Saskatchewan.

Mr. and Mrs. Adam Dickson and family from Hillcrest, V.I., and former residents of Sidney, were visitors here over the weekend. Miss Ruth Dickson and Master George Dickson are spending the week here at the home of Mr. and Mrs. J. Peters, Fourth Street.

Mr. and Mrs. J. Burrows and Mr. W. Gush, of Raymore, Saskatchewan, are visiting at the home of Mr. and Mrs. W. McCulloch, West Road, and other relatives on Bazan Bay Road. They made the journey via motor and report an excellent trip.

Miss Rose Matthews of the staff of the Sidney Trading Co. is enjoying her annual vacation up the West Coast of Vancouver Island. She is accompanied by her sister, Mrs. Ramsay and Miss Gwen Ramsay of Winnipeg, who arrived last week to spend some time with her at the home of her parents, Mr. and Mrs. John Matthews.

Congratulations are being received by Mr. and Mrs. D. Norbury, Queen's Avenue, on the birth of a son at Rest Haven on July 23rd.

Mrs. W. Hale and Miss Beatrice Hale, who have been visiting at the home of Mr. and Mrs. H. J. McIntyre, left on Monday for Vancouver, where they will spend several weeks before returning to their home in Winnipeg.

Mrs. Daniels and Miss Gladys Daniels are guests for a couple of days this week at the home of Mr. and Mrs. A. J. Conway, Queen's Ave.

On Sunday next booster tags will be sold at the park entrance to fans that can see their way clear to assist the Sidney Baseball Club out of their financial difficulties. The boys have been playing good ball this season, and are at the top of the Twilight League. Equipment and uniforms, and other items of expense have submerged them to the extent of some \$80.00 and baseball fans are asked to come to the rescue — those who can help! It is true there is a collection taken at each game, but these collections have developed into an extra heavy crop of nickels and coppers — so brothers and sisters, in this hour of need will you separate yourselves from something bigger than a nickel? Thank you, thank you, we knew you would — no distress call in North Saanich goes unheeded!

WELFARE WORK
The North Saanich Welfare Society has recently received a request for a baby buggy at a small fee and through the columns of the Review are seeking to know if this need can be filled. They have also had a request for a cot mattress. Anyone able to assist in any way is asked to phone Sidney 29-6.

LETTERS TO THE EDITOR

The Editor assumes no responsibility for the views expressed by correspondents. All letters must be signed by the writer for publication. Writers are requested to be brief and to the point. Kindly write or type on one side of your paper only.

CRISIS IN PRESENT SYSTEM

Sir:—Just a few words in answer to the letter from Mr. Dawes.

Proportional representation is obviously fair and when we are honest enough to insist on fair dealing, we shall adopt some such scheme.

It is not—as intimated—a matter of howling when one backs the wrong horse, but it should be a matter of being able to kick out any government when that government has lost the confidence of the people.

One of the Victoria papers quoted Pattullo—speaking on the result of the recent bye election—as saying that the Conservatives stayed their full time and so will we. Work and wages for Pattullo, et al.

I would like to disabuse Mr. Dawes in his concept of the failure of the Labor Party when in power in Great Britain. The Labor government failed—as it deserved to fail—through following leaders who were not big enough for the job: throwing over socialism and comprising; to remain in office. However, the next Labor government will stand or fall on socialism. This, it is anticipated, they will have a chance to do next year; and with every likelihood of success.

This brings us to what many believe and what Mr. Dawes says: "We are living in days when efforts are being made to destroy what has taken long years of toil to gain."

This statement is the only one in which Mr. Dawes and I agree.

The question is, what shall we do to be saved?

We have developed a great civilization and seem intent on allowing entrenched privilege to wreck it and us with it.

Is there any hope under our present system?

Scientists, along with the rest of us, make a fetish of the word science, instead of using scientific methods to solve our every material need.

"What is knowledge good for, if somehow, somewhere, it cannot be built into a social fabric and made available for human beings?"

"There is no good or true outside man's capacity to do good or be true to his fellowmen."

Sir Auckland Geddes once said: "In politics, in the affairs with which governments have to deal, it is not accurate knowledge that matters—it is emotion."

This condition will remain until we learn to use our dearest possession—common sense.
